December Payment Date Changes

Due to the Christmas office closure, the November statement is required in full by COB on Tuesday the 20th of December, 2022. This is necessary to allow our finance team time to prepare the supplier payment and reconciliations prior to the closure of our office on the 22nd. It is also important that this date is met to ensure you don't miss out on the settlement discount.

If you foresee any issues with making payment by this date, please email accounts@provision.com.au
