Campaign Direct Marketing Resources & Dropbox

We'd like to inform you that there has been a (slight!) delay in uploading the latest EOYHF direct marketing materials to ProMarket. We are anticipating these to be live by close of business tomorrow (September 15). Additionally, the campaign Dropbox will become available next Wednesday, September 20.

We apologise for any inconvenience this may cause, and we'd like to thank you in advance for your patience and understanding.

In the meantime, if you have any questions or queries, please feel free to reach out to the ProVision Marketing team at marketing@provision.com.au or via LiveChat.
